## **2024 Community Foundation of Des Moines County Charitable Fund Grant Report**

The Community Foundation of Des Moines County has three goals related to grant reports. First, we are eager to **read the story** of the funded grant. Second, we want you the nonprofit organization to **learn from the story**, because we believe that evaluation at its best informs learning and drives improvement. Lastly, when possible we use that information to **share the story** with our donors and the broader community. Not every grant will be a success, no matter how well it is planned, but failure can produce learning that will lead to better results in the future.

The Community Foundation of Des Moines County (CFDMC) requires a completed Grant Report after a grant award time period has been completed. If your organization receives a grant in 2024, the CFDMC Grant Report is due on **February 28, 2025**. The failure to file a Grant Report may prevent consideration of future grants to any such recipient. The Grant Report Form can be downloaded at [www.cfdmc.org](http://www.cfdmc.org). The 2024 CFDMC Grant Report must be on file **prior** to submitting a new grant application.

Please fill out the fields completely and accurately. Please add additional documents or forms as necessary to provide a complete report. If you have any questions about the 2024 CFDMC Grant Report, please email [cfdmc52601@gmail.com](mailto:cfdmc52601@gmail.com).

Completed 2024 Grant Reports can be emailed to [cfdmc52601@gmail.com](mailto:cfdmc52601@gmail.com) or mailed to:
